Certificate of Insurance For Group Accidental Injury Insurance Policy

This limited Plan provides supplemental benefits only. It does not constitute comprehensive health insurance coverage and does not satisfy the requirement of Minimum Essential Coverage under the Affordable Care Act.

THIS CERTIFICATE IS NOT A MEDICARE SUPPLEMENT CERTIFICATE. If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare available from the Company.

THE INSURANCE POLICY UNDER WHICH THIS CERTIFICATE IS ISSUED IS NOT A POLICY OF WORKERS' COMPENSATION INSURANCE. YOU SHOULD CONSULT YOUR EMPLOYER TO DETERMINE WHETHER YOUR EMPLOYER IS A SUBSCRIBER TO THE WORKERS' COMPENSATION SYSTEM.

This Plan provides the benefits listed in the Benefit Schedule. Please read it carefully.

Your Employer (the "Policyholder") applied for coverage under this Group Accidental Injury Insurance Policy (the "Plan"). This Plan is issued by Continental American Insurance Company (the "Company," "CAIC," "we," "us," or "our"). For the purposes of this Plan, "you" (including "your" and "yours") refers to you. Based on the application process and the timely payment of premiums, the Company agrees to pay the benefits provided on the following pages. (Please note that male pronouns—such as "he," "him," and "his"—are used for both males and females, unless the context clearly shows otherwise.)

You will notice that certain words and phrases (including some medical terms and the names of Plan documents) in this document are capitalized. The capitalized words refer to terms with very specific definitions as they apply to this insurance Plan.

We certify that you are insured under the Group Accidental Injury Insurance Policy (the "Plan"). The Plan was issued to the Policyholder. The Certificate is subject to the Definitions, Exclusions, and other provisions of the Plan.

Certain provisions of the Plan are summarized in this Certificate. All provisions of the Plan, whether contained in your Certificate or not, apply to the insurance referred to by the Certificate.

The Certificate Effective Date is shown in the Certificate Schedule. The Certificate will terminate as provided in the provision entitled, "Termination of Your Insurance" in Section I. This Certificate will remain in effect for the period for which the premium has been paid. This Certificate may be continued for further periods as stated in the Plan.

This Certificate, on its Effective Date, automatically replaces any Certificate or Certificates previously issued to you under the Plan.

Continental American Insurance Company (CAIC), a proud member of the Aflac family of insurers, is a wholly-owned subsidiary of Aflac Incorporated and underwrites group coverage.

SECTION I – ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION

PRIMARY INSURED

Eligibility

You are eligible to be covered under this Plan if you are Actively at Work for the Policyholder and included in the class that is eligible for coverage, as shown on the Master Application.

Insureds are defined as those who might be eligible for coverage under this Plan in the following categories:

- **Employee Coverage** – We insure only the Employee. The Employee is the **Primary Insured** under this Plan.
- **Employee and Spouse Coverage** – We insure the Employee and Spouse.
- **Employee and Children Coverage** – We insure the Employee and any Dependent Children.
- **Family Coverage** – We insure the Employee, Spouse, and any Dependent Children.

You should refer to *Type of Coverage* in your Certificate Schedule to determine who is covered under this Certificate.

Details for adding Insureds to Plan coverage are outlined in the Dependent Coverage – Effective Date provision.

Effective Date

Your Employee Effective Date is shown on the Certificate Schedule.

Your Employee Effective Date is the date your insurance takes effect. After we receive and approve the Application, that date is either:

- The date shown on the Certificate Schedule if you are Actively at Work on that date, or
- The date you return to an Actively-at-Work status if you were not Actively at Work on the date shown on the Certificate Schedule.

Termination of Your Insurance

Your insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 31st day after the premium due date (the last day of the Grace Period), if the premium has not been paid.
- The date you no longer belong to an eligible class.

If an Insured's coverage terminates, we will provide benefits for valid claims that arose while his coverage was active.

(This space left intentionally blank.)

DEPENDENT COVERAGE

Eligibility

Dependents may be eligible for coverage under this Plan. **You should refer to the Type of Coverage on the Certificate Schedule to determine Dependent eligibility.** A **Dependent** is your Spouse or Dependent Child. An eligible Spouse must be at least age 18.

Dependent Child or **Dependent Children** means your or your Spouse's natural children, step-children, grandchildren who are in your legal custody and residing with you, foster children, children subject to legal guardianship, adopted children, or Children Placed for Adoption, who are younger than age 26. However, we will continue coverage for Dependent Children insured under the Plan after the age of 26 if they are incapable of self-sustaining employment due to mental or physical disability, and are chiefly dependent on a parent for support and maintenance. You or your Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child's 26th birthday.

Children Placed for Adoption are children for whom you have entered a decree of adoption, have initiated adoption proceedings, or are a party to a suit in which you seek to adopt the child. A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. You must continue to have custody pursuant to the decree of the court.

Effective Date

- A Dependent may be added to the Plan after the Employee's Effective Date within 31 days after a Life Event or during an approved enrollment period.
- If Employee and Children **or** Family Coverage is already in force, no additional notice or premium is required to add another Dependent Child.
- If Dependent Spouse or Dependent Child coverage is **not** in force, the Employee must complete an Application to add a Dependent to the Plan. The Company will assign a Dependent Effective Date for a Dependent's coverage after approving the Application. For Dependent coverage to become effective, the premium for the Dependent must be included in the premium payment. Spouse and Dependent Child coverage will begin on the date of the Life Event if notice was provided within 31 days after the Life Event.
- If Dependent Child coverage is not already in force, newborn children are automatically covered from the moment of birth for 60 days. Newly adopted children are automatically covered from the earlier of a) placement for adoption, b) the date of entry of an order granting custody of the child for the purposes of adoption, or c) the effective date of adoption, for 60 days. To extend coverage beyond 60 days with no gap in coverage, the Employee must apply to the Company within the 60-day time period following the child's birth or adoption. No premium is due for the first 60 days of newborn/newly adopted coverage.

Termination of Dependent Insurance

Dependent coverage will terminate on the earliest of the following:

- When the Certificate terminates,
- On the premium due date following the date we receive your written request to terminate Dependent coverage,
- When premiums are no longer paid for Dependent coverage (subject to the Grace Period),
- For Spouse coverage, when the Insured no longer meets the definition of Spouse because of annulment, divorce, or other reason, or
- For Dependent Child coverage, when the Child no longer qualifies as a Dependent because he reaches age 26 or other reason. (Dependent Children who reach age 26 will have coverage continued until the last day of the month in which they turn age 26.)

Plan Termination

The **Company** has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder,
- The number of participating Employees changes by 25% or more,
- The Policyholder fails to perform any of the obligations that relate to this Policy or that are required by applicable law,
- The Policyholder no longer offers coverage to a particular class of Employees,
- The Policyholder no longer serves a class of Employees who reside in a particular geographical area, or
- The Policyholder does not provide timely information that is reasonably required.

The **Policyholder** has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company receives premium payments after the Plan terminates, this will not reinstate the Plan.

The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination as soon as reasonably possible. If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

Continuation Privilege

When you are no longer a member of an eligible class and your coverage would otherwise end, you may elect to continue your coverage under this Plan. You may continue the coverage you had on the date your Certificate would otherwise terminate, including any in-force Spouse or Dependent Child coverage, without any additional underwriting requirements.

To keep your coverage in force, you must:

- Notify the Company within 31 days after the date your coverage would otherwise terminate. You may notify us by sending written notice to P.O. Box 84079, Columbus, GA 31993 or by calling the Customer Service number at 800.433.3036, and
- Pay the required premium directly to the Company no later than 31 days after the date your coverage would otherwise terminate and on each premium due date thereafter.

Ported coverage will end on the earliest of the following dates:

- 31 days after the premium due date (the last day of the Grace Period), if the premium has not been paid, or
- The date the Group Plan is terminated.

If you qualify for this Continuation Privilege, then the Company will apply the same Benefits, Premium Rate, and Plan Provisions as shown in your previously-issued Certificate. Notification of any changes in the Plan will be provided directly by the Company.

(This space left intentionally blank.)

SECTION II – PREMIUM PROVISIONS

Premium Payments

Premiums should be paid to the Company at its Home Office in Columbia, South Carolina. The first premiums are due on the Plan's Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period provision.

Premium Changes

Unless we have agreed in writing not to increase premiums, the premium may change:

- On the Group Policy Anniversary Date based on renewal underwriting. (The Group Policy Anniversary Date is shown on the Policy Schedule and falls on the same date each year thereafter.)
- Whenever the terms or conditions of the Plan are modified. The new premium rates will apply only to premiums due on or after the rate change takes effect.

We will provide the Policyholder a 60-day advance written notice of any change in premiums.

Grace Period

This Plan has a 31-day Grace Period. If a premium is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan. If the Plan is discontinued, the Plan's termination date will be the latest date for which premium has been paid.

(This space left intentionally blank.)

Multiple dislocations refer to more than one dislocation requiring either open or closed reduction in any one Covered Accident. For each covered dislocation, we will pay the amounts shown in the Benefit Schedule. However, we will pay no more than 200% of the benefit amount for the dislocated joint that has the higher dollar amount.

We will pay the amount shown in the Benefit Schedule if an Insured receives a laceration in a Covered Accident. - The Insured receives an Outpatient Surgery and Anesthesia Benefit under this Plan.

This benefit is payable in addition to any surgery benefits payable.

Inpatient Surgery and Anesthesia Benefit

We will pay the daily benefit amount shown in the Benefit Schedule when, due to a Covered Accidental Injury, an Insured has an inpatient surgical procedure performed by a Doctor. The surgery must be performed while the Insured is confined to a Hospital as an inpatient. If an inpatient surgical procedure is covered under another benefit in this Plan, we will pay the **higher** of that benefit amount **or** the Inpatient Surgery and Anesthesia Benefit. This benefit is limited to the maximum number of payments per Covered Accident, per Insured, shown in the Benefit Schedule.

Hospital Confinement Benefit

We will pay the amount shown in the Benefit Schedule for each day that an Insured is confined to a Hospital as an inpatient as the result of a Covered Accidental Injury. To be eligible to receive this benefit, the Insured must be confined to a Hospital within six months of the date of the Covered Accident.

The length of time shown for Hospital Confinement in the Benefit Schedule is the maximum period for which an Insured can collect benefits for Hospital Confinements from Covered Accidental Injuries received in the same Covered Accident. This benefit is not payable for confinement to an observation unit or a Rehabilitation Facility.

If we pay benefits for confinement and the Insured becomes confined again within six months because of the same Accidental Injury, we will treat this confinement as the same period of confinement.

This benefit is payable for only one Hospital Confinement at a time, even if it is caused by more than one Covered Accidental Injury.

Hospital Intensive Care Benefit

If an Insured is confined in a Hospital Intensive Care Unit because of a Covered Accidental Injury, we will pay the daily benefit amount shown in the Benefit Schedule. To be eligible to receive this benefit an Insured must be admitted to a Hospital Intensive Care Unit within six months of the date of the Covered Accident.

We will pay this amount for each day of such confinement, but not to exceed the maximum benefit period shown on the Benefit Schedule during any one period of confinement.

We will pay benefits for only one confinement in a Hospital Intensive Care Unit at a time, even if it is caused by more than one Covered Accidental Injury.

If we pay benefits for confinement in a Hospital Intensive Care Unit and an Insured becomes confined to a Hospital Intensive Care Unit again within six months because of the same Accidental Injury, we will treat this confinement as the same period of confinement.

This benefit is payable in addition to the Hospital Confinement Benefit.

Intermediate Intensive Care Step-Down Unit Benefit

If an Insured is confined in an Intermediate Intensive Care Step-Down Unit because of a Covered Accidental Injury, we will pay the daily benefit amount shown on the Benefit Schedule. The Insured must be admitted to an Intermediate Intensive Care Step-Down Unit within six months of the date of the Covered Accident.

We will pay this amount for each day of such confinement, not to exceed the maximum benefit period shown in the Benefit Schedule during any one period of confinement.

We will pay benefits for only one confinement in an Intermediate Intensive Care Step-Down Unit at a time, even if it is caused by more than one Covered Accidental Injury.

If we pay benefits for confinement in a Hospital's Intermediate Intensive Care Step-Down Unit and the Insured becomes confined to a Hospital's Intermediate Intensive Care Step-Down Unit again within six months because of the same condition, we will treat this confinement as the same period of confinement.

This benefit is payable in addition to the Hospital Confinement Benefit.

- The Insured receives Doctor-prescribed follow-up Treatment.
- The follow-up Treatment begins within six months after the Covered Accident or discharge from the Hospital.

Follow-up Treatments do not include physical, occupational, or speech therapy. Chiropractic or acupuncture procedures are not considered Follow-up Treatment.

This benefit is limited to the maximum number of payments per Covered Accident, per Insured, shown in the Benefit Schedule.

Post-Traumatic Stress Disorder Benefit

Post-Traumatic Stress Disorder (PTSD) is a mental health condition triggered by a Covered Accident. We will pay the amount shown in the Benefit Schedule if the Insured is diagnosed with Post-traumatic Stress Disorder. An Insured must meet the diagnostic criteria for PTSD, stipulated in the Diagnostic and Statistical Manual of Mental Disorders IV (DSM IV-TR), and be under the active care of either a Psychiatrist or Ph.D.-level Psychologist. Rehabilitation Unit Benefit

We will pay the daily benefit amount shown in the Benefit Schedule for each day that, due to a Covered Accidental Injury, an Insured receives Treatment as an inpatient at a Rehabilitation Facility. SECTION VI – CLAIM PROVISIONS

Notice of Claim

The Insured must give written notice of claim:

- No later than the 20th day after a Covered Accidental Injury, or
- As soon as reasonably possible.

When we receive written Notice of Claim, we will send a claim form. If the Claimant does not receive the claim form within 15 days after the notice is sent, written Proof of Loss can be sent to us without waiting for the form. Notice must include the Employee's name and the Certificate number. Notice can be mailed to the Company at the following address:

P.O. Box 84075, Columbus, GA 31993

Proof of Loss

Proof of Loss refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as Hospital bills and operative reports. It can include a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company's obligation to pay the claim, and the Claimant's right to receive payment.

The Claimant must provide Proof of Loss to the Company at the following address:

P.O. Box 84075, Columbus, GA 31993

Proof of Loss must be given to us within 90 days of the Covered Accidental Injury. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Covered Accidental Injury, except in the absence of the Claimant's legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from Hospitals or Doctors. The Claimant will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

When we receive the claim and due Proof of Loss, we will review the Proof of Loss. If we approve the claim, we will pay the benefits subject to the terms of the Certificate.

Physical Examination and Autopsy

The Company may have an Insured examined as often as reasonably necessary while a claim is pending. In the case of death, the Company may also require an autopsy, unless prohibited by law. The Company will cover all costs for exams and/or autopsy.

Time of Payment of Claims

For benefits other than for loss of time, the Company will, once we receive the required Proof of Loss, pay, deny, or settle each submitted claim no later than the 60th day after the date Proof of Loss is received. Subject to written Proof of Loss, all accrued benefits payable under the Policy for loss of time will be paid at least monthly during the period for which the Company is liable. Any balance remaining unpaid at the end of that time will be paid as soon as possible after the Proof of Loss is received.

Payment of Claims

We will pay all benefits to the Employee unless otherwise assigned. For any benefits that remain unpaid at the time of death, we will pay those benefits in the following order:

- To the beneficiary designated by the Insured or the beneficiary's assignee,
- To the Insured's surviving Spouse,
- To the Insured's estate.

Unpaid Premium

When a claim is paid, we may deduct any premium due and unpaid from the claim payment.

Changing of Beneficiary

A change in beneficiary must be submitted in writing to our Home Office and signed by the Employee. Unless otherwise specified by the Employee, a change in beneficiary will take effect on the date the notice of change is signed. We will not be liable for any action taken before notice is received and recorded at the Home Office.

Claim Review

If a claim is denied, the Employee will be given written notice of:

- The reason for the denial,
- The Plan provision that supports the denial, and
- His right to ask for a review of the claim.

Appeals Procedure

Before filing any lawsuit—and no later than 60 days after notice of denial of a claim—the Employee, the Claimant, or an authorized representative of either must appeal any denial of benefits under the Plan by sending a written request for review of the denial to our Home Office.

Legal Action

The Employee may not take Legal Action against us for benefits under this Plan:

- Within 60 days after he has sent us written Proof of Loss, or
- More than three years from the time written proof is required to be given.

(This space left intentionally blank.)

SECTION VII – GENERAL PROVISIONS

Entire Contract Changes

This insurance is provided under a contract of Group Accidental Injury Insurance with the Policyholder. The Entire Contract of Insurance is made up of:

- The Policy;
- The Certificates of Insurance;
- The Application of the Policyholder, a copy of which is attached to and made part of the Policy when issued; and
- Any Riders, Endorsements, or Amendments to the Policy or Certificate.

In the absence of fraud, a statement made by the Policyholder or an Insured is considered a representation and not a warranty. A statement made by the Policyholder or an Insured will not be used in any contest under the Plan, unless a copy of the written instrument containing the statement is or has been provided to:

- The person making the statement; or
- If the statement was made by the Insured, and the Insured has died or become incapacitated, the Insured's beneficiary or personal representative.

Changes to the Plan:

- Will not be valid unless approved in writing by an executive officer of the Company.
- Must be noted on or attached to the Contract.
- May not be made by any agent or producer (nor can an agent or producer waive any Plan provisions).

Misstatement of Age

If an age has been misstated on the Application, the benefits will be those that the paid premium would have purchased at the correct age.

Successor Insured

If an Employee dies while covered under his Certificate and his Spouse is also insured under this Plan at the time of the Employee's death, then his surviving Spouse may elect to become the Primary Insured. This would include continuation of any Dependent Child Rider coverage that is in force at that time.

To become the Primary Insured and keep coverage in force, the surviving Spouse must:

- Notify the Company in writing within 31 days after the date of the Employee's death; and
- Pay the required premium to the Company no later than 31 days after the date of the Employee's death, and on each premium due date thereafter.

If the Certificate does not cover a surviving Spouse, the Certificate will terminate on the next premium due date following the Employee's death.

Time Limit on Certain Defenses

After two years from the Employee's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of intentional misstatements, of a material fact, made on the Employee's Application. This does not apply to fraudulent misstatements.

Clerical Error

Clerical error by the Policyholder will not end coverage or continue terminated coverage. In the event of a clerical error, the Company will make a premium adjustment.

Individual Certificates

The Company will make available to the Policyholder a Certificate for Employees. The Certificate will set forth:

- The coverage,
- To whom benefits will be paid, and
- The rights and privileges under the Plan.

Required Information

The Policyholder will be responsible for furnishing all information and proofs that the Company may reasonably require with regard to the Plan.

Conformity with State Statutes

This Plan was issued on its Effective Date in the state noted on the Master Application. Any Plan provision that conflicts with that state's statutes is amended to conform to the minimum requirements of those statutes.

Amendment to Policy and Certificate of Insurance for Group Accidental Injury

This Amendment is subject to all of the provisions of the Policy and Certificate to which it is attached. Additions or changes have been made to the Policy and Certificate and are indicated below.

EFFECTIVE DATE

If issued at the same time as the Certificate, this Amendment becomes effective at the same time as the Certificate. If issued after the Certificate, this Amendment will have a later Effective Date.

The definition of Dependent Child or Dependent Children is deleted and replaced with the following:

Dependent Child or **Dependent Children** means your or your Spouse's natural children, step-children, grandchildren who are in your legal custody and residing with you, foster children, children subject to legal guardianship, adopted children, or Children Placed for Adoption, who are younger than age 26. However, we will continue coverage for Dependent Children insured under the Plan after the age of 26 if they are incapable of self-sustaining employment due to mental or physical disability, and are chiefly dependent on a parent for support and maintenance. You or your Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child's 26th birthday.

The insurance on any Dependent Child will terminate on the last day of the month in which the Dependent Child turns age 26; it is your responsibility to notify us in writing when coverage on a Dependent Child terminates. Termination will be without prejudice to any claim originating prior to the date of termination. Our acceptance of premium after such date will be considered as premium for only the remaining persons who qualify as Insureds under this Plan. When coverage on all Dependent Children terminates, you must notify the Company, in writing, and elect whether to continue this Plan on an Employee or Employee and Spouse Coverage basis. After such notice, we will arrange for the payment of the appropriate premium due, including returning any unearned premium.

Children Placed for Adoption are children for whom you have entered a decree of adoption, have initiated adoption proceedings, or are a party to a suit in which you seek to adopt the child. A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. You must continue to have custody pursuant to the decree of the court.

CONTRACT

This Amendment is part of the Policy and Certificate and will terminate when the Policy or Certificate terminates.

Continuation of Coverage Endorsement

This Endorsement is part of the Policy and Certificate to which it is attached. This Endorsement is subject to all the definitions, terms, and other provisions of the Policy and Certificate to which it is attached, unless those terms are inconsistent with this Endorsement.

EFFECTIVE DATE

If issued at the same time as the Certificate, this Endorsement becomes effective when the Certificate becomes effective.

If issued after the Certificate, this Endorsement will have a later Effective Date.

The following provisions are added after the Continuation Privilege provision in your Certificate:

CONTINUATION OF COVERAGE

If the Group Policy is terminated by the Policyholder and is not replaced with another group policy you may apply to continue the coverage you had on the Group Policy termination date. This includes any in-force Spouse or Dependent Child coverage. The Group Policy will be continued as if the Group Policy is in force for those who have applied to continue their coverage under this provision. The members will continue to have coverage, with their Certificates remaining in force.

The Company will apply the same benefits and plan provisions as shown in your Certificate on the date you are eligible to continue coverage under this provision. Your continued coverage is subject to all of the provisions, exclusions and limitations of the Group Policy.

To keep your Certificate in force, you must:

- Apply to the Company in writing under this Continuation of Coverage provision within 31 days after the date your Certificate would terminate, **and**
- Pay the required premium no later than 31 days after the date the Certificate would terminate and on each premium due date thereafter to the Company at our Customer Service Center in Columbus, Georgia.

PREMIUMS

Initial premium rates will be based on the rates in effect at the time you apply to continue your coverage. Premium rates can be changed by the Company at any time upon 60 days written notice to you. Any such change will be applied to all Certificates in your class and will not be based on your or your Spouse and Dependent Children's health or other individual factors.

You may decrease, but not increase, the amount of your coverage, and the amount of your Spouse's coverage, if any.

TERMINATION

Your continued coverage, including any in-force Spouse or Dependent Child coverage, will end:

- 31 days after the date you fail to pay any required premium.
- When coverage is terminated by the Company. We will provide you a 31-day advance written notice of any termination.
- On the date you die (unless your Spouse elects to become the Primary Insured under the Successor Insured provision, if applicable).

Once continued coverage is cancelled it cannot be reinstated. If your coverage terminates, we will provide benefits for valid claims that arose while your coverage was active.

CONTRACT

This Endorsement is part of the Certificate. It will terminate when:

- The Certificate terminates.

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
 - Up to \$500,000 for health benefit plans, with some exceptions.
 - Up to \$300,000 for disability income benefits.
 - Up to \$300,000 for long-term care insurance benefits.
 - Up to \$200,000 for all other types of health insurance.
- **Life insurance:**
 - Up to \$100,000 in net cash surrender or withdrawal value.
 - Up to \$300,000 in death benefits.
- **Individual annuities:** Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- **Individual aggregate limit:** Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

Note: You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). These protections apply to insolvencies that occur on or after September 1, 2019. **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.

Chapter 463 controls if there are differences between the law and this summary.
